SAFE, STRUCTURED & CHRIST-CENTERED MATERNITY HOME

WHO WE ARE

Breath of Life Maternity Home is a safe, structured place where pregnant, homeless women can find the love, care and support needed during their pregnancy and up to the baby's first birthday. Since 2004, we have had the privilege of helping many expectant moms during their pregnancies and deliveries here on Long Island. The home is able to facilitate three mothers and their babies.

WHAT WE DO

The BOLMH program is designed to help you achieve your goals. Our kind and compassionate staff and volunteers offer support during your pregnancy and prepare you for birth and motherhood. We offer assistance with completion and/or continued education, guide you in job training and help you plan for the future toward a life of stability and confidence in taking care of yourself and your baby. We offer a place of refuge from abuse, dysfunctional relationships and homelessness. As you consider options and how to move forward, you will have caring people who are dedicated to helping you succeed.
