Maternity Home ♥ Pregnancy Center

A Message from our Executive Director & Founder, Regina Napolitano

Mothering Matters!

You believe it, I believe it, and so does God. At Breath of Life Maternity Home and Pathway Pregnancy Center, we understand the challenges a new mother

faces. This journey can be full of twists and turns and stopovers at unexpected places. That feeling of being lost, unsure of their next step, and feeling unprepared for what comes next can be so overwhelming. At Breath of Life, we offer our women hope in Christ, compassionate care, and love. Our program gives direction and the tools needed to be a good parent. It is important to us to teach that God is with each woman and that He cares about her and what she is going through—the joys, the sorrows, and everything in between. She doesn't need to do it alone! That is why we need your help. We want to keep doing the work the Lord has called us to do to nurture women to be the best moms they can be.

Happy Mother's Day!

Dedicated to Life,

Breath of Life Annual Fundraiser

HIS heart OUR home HER future

This year's Breath of Life Maternity Home Fundraiser achieved great success by raising half of our annual budget. We appreciate everyone's generosity and support. The event included a powerful and inspiring message delivered

by our guest speaker, Melissa Ohden. We were honored to present Rebecca Weber, CEO of the Association for Mature American Citizens (AMAC), with this year's Breath of Life Miracle Worker Appreciation Award, recognizing her ongoing dedication and support. Residents

and clients shared touching stories about their experiences at Breath of Life Maternity Home and Pathway Pregnancy Services center. We

were excited to reconnect with alumni who returned to share updates on their journeys. The event was filled with joy, laughter, and God's presence, making it a memorable occasion. We sincerely thank you for your generosity and commitment to our mission.

Thank you for making our Banquet a success!
