God's Grace Thru Generations

Spring is in the air, bringing a warm gentle breeze along with blooming flowers and trees. It's a time to look forward to fresh starts, which is exactly what Breath of Life Maternity Home offers to the mothers who come to live with us: a fresh beginning and the tools they need to learn what it means to be a mother.

Recently, someone asked me, "What inspired you to start Breath of Life Center?" I shared that my motivation came from my mother, Rose Caruso, who taught me how to be a mother to my five children. When I returned home from the hospital with my first child, knowing absolutely nothing, she was there day and night, offering advice and helping hands with everything from diaper changes to laundry and cooking. I didn't realize the impact she had on me until I became a grandmother and wanted to do the same for my grandchildren and for other mothers who needed tender loving care.

To better support women who lacked assistance during this special time, I became a certified Birth and Post-Partum Doula. Our goal at Breath of Life Maternity Home and Pathway Pregnancy Services is to teach, inspire, and educate our moms. Our mission is to equip them on their journey through motherhood by providing care, safe housing, and support throughout all phases of pregnancy, delivery, and post-delivery.

Please help us continue to serve mothers and their babies by donating, becoming a monthly partner, or joining our wonderful team of volunteers.

Happy Mother's Day

We want to honor all mothers—whether biological, adoptive, or spiritual. May the Lord bless you for the incredible job you are doing in raising the next generation.

Happy Birthday Azzy, Lucia & Victor

Life at the Maternity Home was filled with excitement as we celebrated Azzy, Lucia, and Victor's first birthday in April. We are always honored to be part of the milestones in the lives of the mothers and their babies. It's incredible to witness how much growth has occurred in just one year.

Chyan's Graduation & Azariah's Baby Dedication

Chyan and Azariah's journey at the Maternity home was a beautiful narrative of growth, love, and faith. We pray as they leave the maternity home and move forward, that their presence will leave a lasting impact on the hearts they reach on their journey, reminding us all of the power of joy, development, and spiritual connection.
