Kathia's Story

A WOMAN'S INSPIRING JOURNEY OF COURAGE AND TRANSFORMATION AT THE BREATH OF LIFE MATERNITY HOME.

Kathia arrived at the Maternity Home in her seventh month of pregnancy, facing a challenging situation. Her family had turned their backs on her, leaving her homeless, alone, and unsupported. In her search for a warm and nurturing environment for herself and her unborn twins, she found hope at The Breath of Life Maternity Home. Welcomed with open arms, she received the love and support she needed, proving that in the toughest moments, God is with us and creates a way. Our dedicated staff and volunteers at Breath of Life prepared Kathia by providing parenting classes and counseling, ensuring she was ready to start her journey into motherhood.

BIRTH OF LUCIA AND VICTOR

In April of 2024, Kathia welcomed her beautiful twins, Lucia and Victor, into the world. The twins were healthy and strong, a testament to Kathia's resilience, hard work, and most of all...God's grace. Their arrival was a moment of joy and celebration as they became the first set of twins to join the Maternity Home family, filling the hearts of everyone with happiness.

A SPIRITUAL JOURNEY

During her time at the Maternity Home, Kathia made the decision to follow Jesus, which led to dedicating Lucia and Victor to the Lord and then becoming water baptized. This marked a new chapter in her life and symbolized her new faith and commitment to her children's future.

LIFE AT THE MATERNITY HOME

Victor and Lucia quickly became part of the Breath of Life family. Despite the demands of caring for newborn twins, Kathia advanced in the program, participated in community activities, and shared her experiences with other expectant mothers, offering support and encouragement.

A BRIGHT FUTURE AHEAD

As Kathia graduated and prepared to leave the Maternity Home, she felt a heart full of gratitude and anticipation for the future. Breath of Life Maternity Home had provided her with not only support but also spiritual nourishment and a strong sense of community. Kathia's journey had been transformative, marked by significant milestones and deep personal growth. Thanks to the training programs and donor support from Breath of Life, Kathia was able to secure a job and quickly advanced to the position of shift supervisor. She also obtained her driver's license and found her first apartment. Special thanks to *Waverly Ave Respect Life* for their donation toward the purchase of a car.

83.5% of women feel maternity homes have a positive impact on their lives.

Kathia's journey reflects the many stories we proudly support at The Breath of Life Maternity Home. Thanks to God's provision and support from donors like you, we can help women like Kathia rebuild their lives by offering encouragement through counseling, programs and the resources needed to empower women during their pregnancy and motherhood.

We are committed to preparing women for motherhood, recognizing it as a path of commitment and faith. Raising strong individuals starts with establishing a solid foundation for both moms and dads. That's why we focus on offering the most relevant programs, parenting training classes, and resources tailored to meet the specific needs of those who need our personalized services. This way, our mothers can feel supported in making meaningful progress during their pregnancy and throughout their motherhood journey.

Dedicated to Life,
Regina Napolitano
