THE MEADOW CLUB
PORT JEFFERSON

A mother's love reflects God's comforting love for His people by providing emotional support and essential life skills to her children. Together, parents in their respective roles manage the household, provide financially, prepare nutritious meals, pray together, and create a stable environment. They offer hugs and kisses, daily affirmations and encouragement, along with correction and consistent discipline on a regular basis. As role models, they lead by example. They instill important values that empower their children to grow into loving, compassionate and responsible individuals who serve God.

What happens to a mother-to-be who never had the chance to experience a nurturing upbringing? Imagine a young woman whose father has left the home, leaving her mother to bear the heavy burden alone. Her mother may feel exhausted, overwhelmed, and stretched thin. The absence of stability, security, and the lack of affection of hugs and kisses can leave deep emotional scars. Now, consider those who grow up not only in dysfunctional homes, but in abusive environments as well. It's heartbreaking to think about how these challenging experiences affect a baby, a young girl, and ultimately, the woman she becomes as she navigates through life.

How can a woman become a mother if she has never experienced true unconditional love and forgiveness from her own parents, who are meant to reflect the love of God? According to God's design, parents are intended to represent God to their young children. We know that this cycle is happening every day, every year, and in every generation. How can we take action and create meaningful change?

HIS heart OUR home HER future

At the Breath of Life Maternity Home and Pathway Pregnancy Center, we educate women about the physical, emotional, and spiritual effects of abortion. Our abortion counseling aims to encourage women to choose life for their babies. However, we believe that supporting a woman in making that choice is just the beginning. We are dedicated to assisting her throughout her pregnancy, after the baby is born, and during her journey into motherhood. We provide support, education, resources, and the essential tools to help her become the mother God intends her to be.

Both the Breath of Life Maternity Home and Pathway Pregnancy Center embodies **HIS HEART** - the mission that God has placed on my heart and the hearts of our team. We are dedicated to supporting unborn babies and the women carrying them. He created everyone of us as His masterpiece, uniquely made and special to Him. One way we can honor **HIS HEART** for babies and moms is through our Maternity Home—a safe haven for homeless women to live in peace and be surrounded by love. This is **OUR HOME**. It is through our support, prayers, and donations that the Breath of Life Maternity Home can provide women with the safety, structure, and support that is needed. Our faith-based programs help **HER FUTURE** by providing hope, assistance, and tools for success, enabling her to live independently while being completely dependent on God.

Together we can give a woman a chance to believe in love, and receive unwavering care that could lead her on her path to discover the Heavenly Father. We hope you will join us in March for a special evening to celebrate life and raise funds to support this important cause!

Dedicated to Life,

Regina Napolitano
Founder & Executive Director

Breath of Life 2025 Refresh and Retreat Day and one of our maternity home resident Jazmine's Baby Shower.

It was a beautiful day to express our gratitude to all our staff and volunteers for their hard work and dedication. Their daily commitment and efforts

make a significant impact on Pathway Pregnancy Center and The Breath of Life Maternity Home, and this was our moment to acknowledge that. We also came together to celebrate Jazmine and her baby, sharing in the joy of this wonderful milestone in her life. A special thank you to Pastor Sharon Pizzo from Christ Methodist Church for delivering an inspiring message, and to Susan Hohenrath for leading us in worship with her beautiful music.

Fall Cleanup from a very special team!

Thank you to the awesome team from Integrity Church!

They did such an amazing job with the fall cleaning at the Maternity Home. From cleaning out the gutters and taking care of the lawn to washing windows and tearing down arbors, they tackled it all with smiles! We are extremely grateful for all their hard work and dedication.

Make an impact

Become a monthly supporter or make a one-time-end-of-year contribution

By becoming a monthly donor or making a one-time donation, you can help save and nurture life as God intended. With your support and prayers, we are able to offer housing, supportive programs, and vital resources that empower pregnant women to choose life. Your generosity can bring hope and a home, changing not only individual lives but shaping future generations.
